Waiver:

As a condition of participation in the Delvin Miller ADIOS STAKE NO. 58 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Sponsor herein, to hold Sponsor harmless from any and all liability and damages, and to indemnify the Sponsor from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Sponsor's rights herein as set forth above.

Racing Conditions:

All events to be raced as one dash at one mile. If 11 or fewer are declared in to start, the Adios or the Adioo Volo will be raced as a single dash at one mile. If 12 or more declare to start, the Adios or the Adioo Volo may be raced in elimination heats or divisions. If elimination heats are raced, in either the Adios or the Adioo Volo, horses in each elimination heat shall qualify for the Final and under the conditions as specified below.

The eliminations, if necessary, will race for no less than \$25,000 each, the amount to be determined by the Sponsor. Elimination heats may be held on the same program as the Final, or scheduled at least five (5) days prior to the Final as determined by the Sponsor.

If there are two (2) elimination races the first four (4) finishers in each elimination will return for the Final plus the horse with the highest lifetime money earnings as determined by the USTA from the two (2) fifth place finishers will be drawn in for a Final field of nine (9).

If there are three (3) or more elimination heats, not more than three (3) horses shall qualify for the Final from each elimination heat.

If four (4) eliminations or more are required, eligible horses will be selected for a Final field of nine (9) in a method consistent with the above procedures.

If the eliminations are necessary, post positions in the Final may be determined by one of the following methods as determined by the Sponsor:

- a.) by an open draw, or
- b.) earned by the official order of finish in the eliminations, or
- c.) the elimination winners, in an order determined by lot, may choose their post position for the Final. The trainer of each winner must select the post position by a time specified by the Racing Secretary, or that elimination winner will be placed in the open draw with the rest of the Final field.

In addition, at the discretion of the Race Secretary, two horses may be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final to replace horses excused by the judges by the designated "scratch" time. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. The other horse will be the second "Also Eligible" ("AE2").

In the event horses are tied (i.e. equal in the finish position, including a dead heat) in qualifying for the Final or in determining the Also Eligibles, preference will be determined by the highest lifetime money earnings; if equal in money earnings, final preference will be determined by lot among such tied horses. If the need occurs to replace a horse or horses qualified for the Final, it will be done in a manner consistent with these conditions regarding the determination of eligibility and preference for the Final.

If, because of an accident in an elimination, an insufficient number of horses finish the elimination race and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest lifetime earnings as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

The Sponsor at its sole discretion reserves the right to conduct this race in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year prior to the first payment in the year of the race.

All starters are subject to the detention policy of the race track.

Money Division:

Purses for both the Open and the Filly Divisions will be divided 50-25-12-8-5% for each heat or dash.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

Washington Trotting Association, Inc., at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by Washington Trotting Association, Inc. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. The conditions and rules and regulations shall be those in effect at the time of the race.

This would include 3-year-olds that have declared to start if canceled after the date of declaration.

For purposes of these conditions, stallion nomination fees, nomination fees, 2-year-old supplemental nomination fees and future eligibility payment fees collected for these foals that are eligible to the Breeders Crown races in 2024 were disbursed in prior years as provided by the conditions. See BREEDERS CROWN STALLION FUND DISTRIBUTION and YEARLING NOMINATION, SUPPLEMENTAL NOMINATION AND FUTURE ELIGIBILITY PAYMENT DISTRIBUTION below.

Purses:

At the time of the yearling nomination, it was estimated that the purses will be no less than \$300,000. The Society, however, reserves the right to scale back the prescribed minimum estimated purses.

Prior to accepting any payments for 2024 and based on 2023 payment levels, it is estimated that purses for the Final races (“Finals”) of the races in 2024 are estimated as: (U.S. Funds)

	TROT	PACE
2-Year-Old Colt	\$700,000.....	\$700,000
2-Year-Old Filly	\$700,000.....	\$700,000
3-Year-Old Colt	\$600,000.....	\$600,000
3-Year-Old Filly	\$600,000.....	\$600,000
Open.....	\$600,000.....	\$600,000
Open Mare	\$400,000.....	\$400,000

All Finals in each of the Breeders Crown 2024 events will be raced for an amount that is no less than the sum total of the sustaining payments plus the amount of the entrance fees less the purses of the necessary elimination races. Elimination races (“Eliminations”), if necessary, will be raced for a minimum of \$25,000 each.

Purses for all races in 2024 will consist of the 2024 sustaining payments and all of the entrance fees which will be credited to the specific races. The Society will add purse monies from stallion nomination and other Breeders Crown fees collected in 2024 and in prior years to fund purse levels as determined by the Society.

Stallion Nomination Fee:

Stallion nominations for these races are closed. Nominations were due and payable by the published deadline each year in the amount of the advertised stud fee for the breeding season (\$500 U.S. funds minimum) -- plus an additional surcharge as published -- provided,

however, that for first-year stallions placed in commercial service (which would not include test breedings), the nomination must have been paid within 60 days after the stallion first breeds a mare.

Stallion nominations for Breeders Crown No. 41 for foals of 2025 -- matings of 2024 -- are due January 15, 2024. However, for first-year stallions placed in commercial service (which would not include test breedings) after January 15, the nomination must be paid within 60 days after the stallion first breeds a mare. For more information regarding the Breeders Crown stallion nominations for these races in 2024 and for foals of 2025 (Breeders Crown No. 41), contact The Hambletonian Society, Inc. or go to www.hambletonian.com.

Breeders Crown Stallion Fund Distribution:

Stallion nomination fees for Breeders Crown No. 36 were disbursed in 2019 Breeders Crown races; stallion nomination fees for Breeders Crown No. 37 were disbursed in 2020 Breeders Crown races; stallion nomination fees for Breeders Crown No. 38 were disbursed in 2021 Breeders Crown races. However, the Society, at its sole discretion, reserves the right to allocate a portion of the stallion fees collected in 2024 (as in prior years) to future Breeders Crown races when it determines such allocation to be in the best interests of the Breeders Crown program.

If the Host Track adds any money to the 2024 Breeders Crown purses, the Hambletonian Society reserves the right to deduct an equal amount from the Breeders Crown No. 41 stallion nomination fees and fees collected in prior years but disbursed for administrative, promotional and television production expenses.

Additionally, the Society reserves the right to deduct up to 25 percent (%) of the Breeders Crown stallion nomination fees each year, including 2024, to fund promotional expenses and presentation of the events.

Except as provided in the published conditions for stallion nomination, under no circumstances will stallion nomination fees be refunded.

Yearling Nomination, Supplemental Nomination and Future Eligibility Payment Distribution:

Breeders Crown yearling nomination fees for these foal crops were disbursed as determined by the Society in the year of collection as provided in the nomination conditions. Yearling nomination fees for Breeders Crown No. 36 were disbursed in 2021 Breeders Crown races; yearling nomination fees for Breeders Crown No. 37 were disbursed in 2022 Breeders Crown races and yearling nomination fees for Breeders Crown No. 38 were disbursed in 2023 Breeders Crown races. Likewise, Breeders Crown supplemental nomination and future eligibility payment fees were disbursed as determined by the Society in the year of collection as provided herein and in previously published conditions. The Society, at its sole discretion, reserves the right to allocate a portion of these fees collected in 2024 (as in prior years) to future Breeders Crown races when it determines such allocation to be the best interests of the Breeders Crown program. If the host track adds any funds to the purses of the Breeders Crown in 2024, the Society reserves the right to deduct up to an equal amount from Stallion Nomination fees or other Breeders Crown payments for administrative, promotional and television expenses.

Nomination And Eligibility To The 2-Year-Old and 3-Year-Old Divisions:

All foals whose sires were nominated to the Breeders Crown for their foaling crop must also be nominated to be eligible to race as a 2-year-old and/or a 3-year-old either by a yearling nomination fee or a supplemental nomination fee, except for those horses that are entered with a supplemental declaration.

For foals by nominated sires to be eligible to the 2-year-old races, the May 15th yearling fee, or August 15th supplemental nomination payment, and the 2-year-old sustaining payments must be

The Society will not recognize foals as twins if produced through embryo/ovum transfer. If produced through embryo/ovum transfer, only the donor mare's first born foal that year will be eligible for nomination. The Owner(s) of the nominated horse agree to indemnify and hold the Society and the Track harmless from any and all claims, suits or damages, including attorney's fees, arising out of or related in any way to such certification.

Declaration To Start and Entrance Fee:

The declaration to start shall be due at the Track where the race is being held by the prescribed time and date scheduled by the Host Track. At the time of declaration, a horse must: have a charted line within 45 days of the scheduled date of the elimination race which meets the qualifying standards of the Track for age and gait; not be on the judge's list, or otherwise ineligible to race. The requirement that such a performance line be charted will be waived for horses coming from outside North America. Elimination races, if necessary, may be held on the same program as the Final race, or in the previous ten days as determined by the Society.

The Society, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry.

The entrance fee (formerly called either a declaration fee or a starting fee) shall be due at the time of declaration and payable not later than one hour prior to the post time of the race or the first elimination race, as the case may be. The entrance fee will not be refunded once the horse is declared to start unless the horse dies between the time of declaration to start and the start of the race or elimination race in which the horse was to compete.

Supplemental Entries For The Three-Year-Old and Open Divisions:

Three-year-old and older horses that are otherwise ineligible to the Breeders Crown 2024 may be made eligible to the 3-year-old races in 2024 or the Open races in 2024 with a declaration to start accompanied by payment of a supplemental entrance fee no later than October 14th at noon Eastern Standard Time. The declaration is due at the Track where the race is being held. The supplemental payment due will be 12% of the advertised purse for each division and will be published two weeks prior to the race date. The percentage of supplemental payments added to the purse will be determined by The Hambletonian Society.

For horses for which the supplemental entrance fee is paid, no other fee of any kind is required. The supplemental entrance fee is non-refundable once the horse is declared to start unless the horse dies between the time of declaration to start and the start of the race or the elimination race in which the horse was to compete, as the case may be. All supplemental entrance fees shall be made payable to The Meadowlands.

Eligibility To The 2024 Open Division For Foals Of 2020 and Older That Have Been Supplemented To The Races in Prior Years:

Horses which were made eligible to the Breeders Crown in previous years by a payment of a supplemental entrance fee (formerly "declaration" fee), will be eligible to the Open races in 2024 under the normal schedule of payments beginning on February 15, 2024 as described above and the normal entrance fee as provided in these conditions.

Special "Win and You're In" Eligibility for Two-Year-Old Trotters:

The officially declared winners of the Peter Haughton Memorial for 2-year-old trotting colts and the Jim Doherty Memorial for 2-year-old trotting fillies, if they are Breeders Crown eligible as of June 1, 2024, will be eligible to advance directly to the final of their respective Breeders Crown divisions. They are also entitled to be put into the post position draw for the opportunity to draw between post 1 through 6, the same as elimination winners, if eliminations are required. These two winners are not required to pay an entry fee and are not eligible to race in the elimination. They must enter at the prescribed time as all other entries and meet the qualifying standards as outlined in the conditions of Breeders Crown No. 38. The entry status is not transferable and only applies in the year of both events.

Special Eligibility For Foreign Winners:

The Society, at its sole discretion, reserves the right to invite up to two (2) foreign-based horses, that have won a Group [i.e. Grade] 1 International Race outside North America to race in the Open Trot and, likewise, the right to invite up to two (2) foreign-based horses, that have won a Group 1 International Race in Australia or New Zealand, to race in the Open Pace. An "International" Race is an event that is not restricted to only horses bred and/or owned from a specific region, country, state or province. Should any of the above invitees subsequently decline, or be otherwise unable to enter, the Society reserves the right to invite other such Group 1 winners. The Society will consider "foreign-based" horses as those horses that normally race outside of the United States and Canada.

Additionally, the Society reserves the right to invite the winners of the John Cashman Memorial (formerly Nat Ray Trot), the Maple Leaf Trot or the Yonkers International Trot, if such winners are foreign-based, foreign-sired, owned exclusively by residents outside North America and not eligible to the Open Trot.

Each of these winners whose owners accept the invitation will be eligible to start in the Open Trot, or Open Pace, subject to the payment of a entrance fee plus an additional amount equal to the sustaining fees of \$4,500 (\$2,000 for mares) and must be entered at the time and date designated by the Society. An invited foreign winner that has been kept eligible as of April 15, having made the required sustaining payments, must pay only the amount of the entrance fee. The entrance fee for the Open Trot is \$10,000; the entrance fee for the Open Pace is \$10,000.

If an elimination or eliminations are required, the invited horses, properly declared, automatically advance to the Final and cannot start in the eliminations. If one or more of the foreign invitees are entered, the North American-based horse with the highest seasonal money earnings in 2024, as determined by the USTA, will likewise automatically advance to the Final unless the trainer instead elects to race in the elimination.

Notice:

USTA Rule 12.04 provides: "Failure to make any payment required by the conditions constitutes an automatic withdrawal from the event." The Hambletonian Society, Inc. will construe payment to require that cash or check duly honored upon presentation be received at the time specified in USTA Rule 12.02.

Testing Waiver And Consent:

As a further condition of participation in the Breeders Crown 2024 ("Race" or "Races", which includes all the Breeders Crown races, eliminations and finals, in 2024), which is a private event owned by the Society, the Owner ("Owner", which includes all beneficial owners at the time) of the nominated horse ("Horse") which has been declared (i.e. entered) to start in the Race hereby grants to the Society, its representatives, employees and agents, including a licensed veterinarian designated by the Society, and assigns the absolute right and authority to:

- 1.) Conduct one or more physical examinations of the Horse at any time prior to the Race, regardless of where it is stabled;
- 2.) Draw blood, hair and other specimens one or more times from the Horse for immediate testing;
- 3.) Freeze or otherwise preserve split-samples of the specimens for future testing and send such samples to a laboratory designated by the Society and;
- 4.) Require, at the sole discretion of the Society, the Horse to stable on the grounds of the racetrack ("Track") where the Race is being contested or other designated premises for a reasonable period of time prior to the Race which will be specified by the Society.

After declaration and until the day of the Race, the detection in the Horse of evidence of blood doping agents including, but not limited to, the following: human recombinant erythropoietin, darbepoetin, continuous erythropoietin receptor activator (CERA), Mircera®, Aranesp®, Oxyglobin®, or Hemopure®, shall be considered a violation of these conditions and will result in scratching or disqualification of the Horse from the Race and forfeiture by the Owner of the Entrance Fee, whether or not actually paid but which is due at the time of declaration:

Note: The Hambletonian Society may interpret "evidence of blood doping agents" to include elevated titers of anti-recombinant antibodies of these agents.

If such evidence is detected after the Eliminations but prior to the Final of the Race, this shall result in the disqualification of the Horse in the official result of the Elimination, the loss of the purse, if any, and the immediate return of any forfeited purse funds to the Society for redistribution and the Horse will not be allowed to start in the Final. If the evidence is detected after the Final of the Race but prior to the distribution of the purse of the Final, this shall be considered a violation of these conditions and will result in the disqualification of the Horse in the official results of the Elimination and the Final, the loss of the purse, if any, and the immediate return of any forfeited purse funds earned to the Society for redistribution.

If any such evidence is detected in future testing of the split-sample taken from the Horse, it shall be considered a violation of these conditions and will result in the disqualification of the Horse, the loss of the purse, if any, and shall require immediate return of any forfeited purse funds to the Society for redistribution.

Should the Society determine that, as a result of any of the above procedures or otherwise, a possible violation of the rules of the state or provincial racing Commission or Board, including but not limited to rules concerning prohibited substances and/or procedures has occurred, the matter will be referred to the racing Commission or Board for possible additional action.

The Owner agrees to fully co-operate with the Society to require that his trainer, employees or agents identify and make the Horse available to have blood drawn or procure other specimens on demand and/or be examined as described above without prior notice.

The Owner understands and agrees that failure to provide access to the Horse or otherwise not co-operating with the Society, its representatives, employees and agents, including a licensed veterinarian designated by the Society, in the exercise of the rights granted herein, may result in scratching the Horse from the Race and forfeiture of the Entrance Fee.

The Owner further agrees to notify his drivers, trainers, veterinarians, employees, officers and agents of the authority granted to the Society herein, to hold the Society and the Track harmless and indemnify the Society, the Track, their representatives, agents, officers, directors and employees from any and all claims, liability,

damages and attorneys fees which may result from any challenge by any such Owner, drivers, trainers, veterinarians, employees, officers and agents or other third parties to the Society's rights as set forth above.

In the event of a post-Race disqualification and redistribution of purse funds paid out, the Owner also agrees to indemnify the Society, the Track, their representatives, officers, directors, employees, and agents from any and all claims, liability, damages, expenses and attorneys fees which any of them may incur in attempting to recover the funds from the Owner, trainer and driver and to redistribute said funds. The owners, trainers and drivers of these horses which are due these funds under the disqualification also agree that the Society and the Track, their representatives, officers, directors, employees and agents, have no liability for any delay in the recovery or transmission of the funds.

Image Waiver:

As a condition of participation in the Breeders Crown 2024, the Owner(s) of the nominated horse(s) hereby grants to the Society, its representatives, successors, and assigns the absolute right to copy-right and publish, use or reuse still and motion, photographic and digital, images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Society herein, to hold the Society harmless from any and all liability and damages, and to indemnify the Society from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge the Society's rights as set forth above.

Racing Conditions:

All heats to be raced one dash at one mile. None of these events shall be held in divisions. If the number of horses declared into any race is large enough to require more than one (1) trailing horse in the second tier, an elimination, or eliminations, will be held for that race to "qualify" only enough horses that can be accommodated by the number of positions in the front tier of the starting gate and there will be no second tier in the final heat. If the number entered is less, there will be no eliminations necessary. Eliminations, if necessary, will race for a minimum purse of \$25,000 each. Such elimination races will be held in accordance with U.S.T.A. Rule 12, except as provided below.

One Elimination: If an elimination is required because more than eleven (11), but less than fourteen (14) are entered, there will be a single elimination to "qualify" only enough horses that can be accommodated by the number of positions in the front tier of the starting gate as follows:

- a.) In the Open Trot and Open Pace, the invited winners of the designated foreign "classic" races, and/or other horses from outside North America invited by the Society as permitted herein, that are declared, shall automatically advance to the Final regardless of earnings. If eliminations are required and one or more of the foreign invitees automatically advance to the final, the North American-based horse with the highest seasonal money earnings in that year, as determined below, may likewise automatically advance to the final.
- b.) From the other declared horses, those with the least total earnings in the period from January 1 of that year up to time of declaration, will be selected to race in a single elimination field with no more starters than can score in a single

tier with no trailers. Money earnings for races outside of the United States will be calculated at the exchange rate as determined by the USTA.

- c.) The remaining declared horses, if any (i.e. those with the higher money earnings that cannot be accommodated in the front tier of the elimination field), may elect to automatically advance to the Final (“receive a bye”). If any of the higher money earners, as determined above, elect instead to race in the elimination, other declared horses, in preference of the greatest earnings, may be selected to automatically advance to the Final. If no horses elect to advance to the final, that elimination will be conducted with trailers.
- d.) The best finishers in the single elimination plus those that have automatically been advanced to the Final will make up the field for the Final with no trailing horses in the second tier.

If two or more eliminations or necessary, horses either owned by common interests or trained from the same stable will be separated as much as possible.

Two Eliminations: If the number of horses declared into any race is such that, if divided at the time of the draw the fields would provide between seven (7) to ten (10) horses in each of the eliminations, then that race will be split into two eliminations with no trailers. The Society reserves the right to seed up to the four (4) highest money earning entrants based on their seasonal earnings, as calculated by the USTA. Entered horses will be assigned a tier based on their earnings in 2024 and the number of eliminations.

For example, if there are two (2) elimination divisions, two (2) horses would be seeded in each of the two (2) tiers, and the other horses separated randomly as provided below:

- a.) The horses with the highest and the second highest seasonal money earnings will be assigned tier “A” and separated in the draw;

Horses ranked third (3rd) and fourth (4th) would be assigned tier “B” and separated randomly recognizing common interests as much as possible;

- b.) The remainder of the elimination fields (those not tiered) will be separated by lot, again with consideration for horses either owned by common interests, or trained from the same stable, which will be separated from previous tiered higher money earners as much as possible. Thus, priority for separation will be: 1.) tiering; 2.) common ownership; 3.) common stable.

Three Eliminations: If the number of horses declared into any race is between twenty-one (21) to thirty (30) horses, then that race will be split into three eliminations with no trailers. The Society reserves the right to seed up to the three (3) highest money earning entrants based on their seasonal earnings, as calculated by the USTA. Entered horses will be assigned a tier based on their earnings in 2024 and the number of eliminations.

For example, if there are three (3) elimination divisions, one (1) horse would be seeded in each of the three (3) tiers, and the other horses separated randomly as provided below:

- a.) The horses with the highest, second highest and third highest seasonal money earnings will be assigned tier “A” and separated in the draw;
- b.) The remainder of the elimination fields (those not tiered) will be separated by lot, again with consideration for horses either owned by common interests, or trained from the same stable, which will be separated from previous tiered higher money earners as much as possible. Thus, priority for separation will be: 1.) tiering; 2.) common ownership; 3.) common stable.

Four or More Eliminations: If the number of horses declared into any race is more than thirty (30) horses, then that race will be split into at least four eliminations with no trailers and the procedure for seeding would be consistent with the above. The Society reserves the right to seed the four highest money earning entrants based on their seasonal earnings, per elimination, as calculated by the USTA. Entered horses will be assigned a tier based on their earnings in 2024 and the number of eliminations as above.

Elimination Winners to Draw for the Inside Post Positions in the Final: If the eliminations are contested in the week prior to the Final, post positions in the Final will be determined by an open draw with the exception that the Elimination winners in an order determined by lot, will draw for post positions number one (#1) through six (#6) in the final. All other finalists will be placed in an open draw for the remaining post positions. Those horse(s) that receive a bye into the Final will be in the open draw for post positions in the Final.

Also Eligibles: In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated “Also Eligible” (“AE”) for each Final. The preference to determine which is the first “Also Eligible” (“AE1”) shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final; in the event horses are equal in the finish position, final preference will be determined by the highest money earnings in that year as compiled by the USTA. The other horse will be the second “Also Eligible” (“AE2”).

Replacing Scratched Horses: Scratched horses in the Final will be replaced in the following manner: a.) If post positions have not been drawn the AE horse will take its place in the normal draw; b.) If post positions have already been drawn, if a horse was scratched from the front tier the AE horse will assume the position on the outside of the remaining starters in the front tier of the starting gate, in the order determined in the above paragraph. If the scratched horse is the trailer, the AE horse will take its place as the trailer. The AE2 horse, if drawn in by a second scratched horse, will start outside the AE1 horse in the front tier or as the trailer depending on the position of the scratched horse. No horse will be moved into the Final as a replacement after the publication of the official program, unless the “also eligible” horse(s) have been published in the official program in accordance with racing commission rules and has participated in the pre-race detention/retention procedure with the other starters in that race. The Society reserves the right to conduct the post-position draw of any or all of the Finals at any time or date after the eliminations as it determines is in the best interest of the Races.

Breaking Ties or Dead Heats in the Eliminations: Should two or more horses tie for the last position(s) by virtue of their finish in the elimination(s) above, such tied horses shall be eliminated from the Final by giving preference to the horse(s) with the highest earnings in that year, as compiled by the U.S.T.A. and including the elimination earnings. In the event of a dead heat for the last position(s) in one or more of the eliminations to qualify or advance to the Final, a horse in another elimination finishing in the same position and not in a dead heat, regardless of earnings, would have preference over a horse finishing in a dead heat. (i.e. With two eliminations, a horse finishing fifth has preference over the two horses that were dead heated for fifth.) Finally, if tied horses have equal seasonal earnings, then the finalist(s) will be drawn by lot with each of the horses having a trainer or representative present at that draw.

Accidents in the Eliminations: If, because of an accident in an elimination, an insufficient number of horses finish the elimination race and qualify for the Final, the remaining finalist(s) and “also el-

eligible(s) will be selected (in the preference of the highest earnings in that year as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

Retention, Detention and Testing: All starters in the eliminations and the Final are subject to the policy of the Track as well as the Testing Procedures specified in these Conditions.

Money Division:

Purses for the Eliminations, if necessary, will be divided 50-25-12-8-5% for the horses finishing first through fifth.

All starters in the Finals will receive purse money. The winner of the Race will receive 50% of the purse; one percent (1%) of the total purse will be paid to the owners (including trainers & drivers) of each finalist finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges, or those that don't finish the Race. The remainder of the purse for the Race will be divided 50-24-16-10% for the horses finishing second through fifth.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the contractual or statutory obligations of the Track at the time of the race.

Transfer:

Any eligible horse that changes gait may be transferred at any time. Sustaining payments already made remain with the originally nominated race.

Protests, Investigations and/or Disputes:

In the event of any protest, investigation or dispute with respect to the results of the Breeders Crown or any races related thereto, the Society may, if it is in possession of the purse, at its option deliver the purse, or the disputed portion thereof, to the Track which shall hold such purse in a segregated interest-bearing bank account, to be disbursed by the Track following the final binding and non-appealable determination of any such protest, investigation or dispute. Further, the Owner shall hold the Society and the Track, their officers, directors, members, employees and agents harmless from, against and in respect of any and all claims, actions, losses, damages, liabilities, judgment, costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) resulting from any such protest, investigation or dispute.

In the case of any dispute as to the interpretation of these conditions, the decision of the Executive Committee of The Hambletonian Society, Inc. shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of the Breeders Crown races or with respect to any interpretation of any rules or conditions of the Breeders Crown races, or otherwise shall be decided by the Executive Committee of the Hambletonian Society, Inc., which decision shall be final and not subject to appeal. Any appeal rights which the owner shall otherwise have are waived.

The New Meadowlands and the Society, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by the Hambletonian Society. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

The Hambletonian Society reserves the right to add to, amend or delete the conditions of all or any part of the Breeders Crown program, without liability including but not limited to:

- a.) classes and divisions of races, eligibility of horses, fees and payments, and the amount of purses to be awarded to each race, elimination race and Final race;
- b.) time and/or date of declarations and the time and/or date of the supplemental declarations;
- c.) dates and/or the location of any or all of the races including the date of the elimination races;
- d.) other matters that the Society determines to be necessary and appropriate for the proper administration, promotion and implementation of the Breeders Crown program.

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, U.S.T.A. rules not in conflict with these conditions of the Breeders Crown 2023 to govern, as well as the Track rules and regulations. The conditions, and rules and regulations, shall be those in effect at the time of the race.

Waiver:

As a condition of participation in the Dexter Cup 2024 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Sponsor herein, to hold Sponsor harmless from any and all liability and damages, and to indemnify the Sponsor from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Sponsor’s rights herein as set forth above.

Racing Conditions:

All races will be at one (1) mile and all races will be drawn by lot, except that entries will be separated whenever possible. Post positions for all races will be determined by an open draw.

All starters in the eliminations and the Final are subject to the detention policy of the race track.

Dexter Cup (Open):

Elimination heats, if necessary, may be held on the same program as the final heat, or in the previous ten days as determined by the

Sponsor. The elimination races will race for 25% of the total purse divided equally between the total number of races. The final will be contested for the remaining 75%.

Such elimination races will be held as provided below.

If the number of horses declared into any race requires more than one (1) trailing horse in a second tier, but not enough to split into eliminations of at least six (6) separate pari-mutuel interests in each of two eliminations, that race will be held with a single elimination heat to “qualify” only enough horses that can be accommodated by the number of positions in the front tier of the starting gate as follows:

- a) From the other declared horses, those with the least total lifetime earnings up to time of declaration, will be selected to race in a single elimination field with no more starters than can score in a single tier with no trailers. Money earnings for races outside the U.S. will be calculated at the exchange rate for U.S. dollars as determined by the USTA.
- b) The remaining declared horses, if any (i.e. those with the higher money earnings that cannot be accommodated in the front tier of the elimination field), may elect to automatically advance to the Final. If any of the higher money earners, as determined above, elect instead to race in the elimination, other declared horses, in preference of the greatest earnings, may be selected to automatically advance to the Final. If no horses elect to advance to the final that elimination will be conducted with trailers.
- c) The best finishers in the single elimination plus those that have automatically been advanced to the Final will make up the field for the Final. Except for those automatic finalists, preference to qualify for the Final will be given to the horses in their official order of finish in the eliminations.

If the number of horses declared into any race is such that, if divided at the time of the draw the fields would provide at least six (6) separate pari-mutuel interests in each of the eliminations, then that race will be split into two or more eliminations with no trailers.

If there are two (2) elimination races the first four (4) finishers in each elimination will return for the final; the two (2) fifth place finishers will be drawn by lot for “Also Eligible”.

If there are three (3) elimination races the first two (2) finishers in each elimination will return for the final. The remaining two eligibles will be drawn by lot from the three (3) horses finishing third in the eliminations. The remaining third place finisher will be the first “Also Eligible”. The second “Also Eligible” will be drawn by lot from the three (3) fourth place finishers.

If four (4) eliminations or more are required, eligible horses and two (2) “Also Eligibles” will be selected for a final field of eight (8) in a method consistent with the above procedures.

However, whenever there is a draw by lot for the final or as an “Also Eligible”, a non-entry horse will have preference over a horse creating an entry. If the need occurs to replace a horse or horses qualified for the final, it will be done in a manner consistent with the published conditions concerning the determination of eligibility to the final.

In the event of a dead heat among the horses qualifying for the final or as an “Also Eligible”, preference will be determined by lot among such tied horses. If the need occurs to replace a horse or horses qualified for the final, it will be done in a manner consistent with the published conditions regarding the determination of eligibility to the final.

If, because of an accident in an elimination heat, an insufficient number of horses finish the heat and qualify for the Final, the remaining finalist(s) and “also eligible(s)” will be selected by lot from the remaining non-offending horses in that elimination where the accident occurred.

All horses making the final will automatically be entered by the Race Secretary.

Scratched horses in the Final will be replaced by the “also eligible” horses in the following manner: a) If post positions have not been drawn the horse will take its place in the normal draw; b) If post positions have already been drawn, the horse will assume the position of the scratched horse in the order the scratches are received by the judges. No horse will be moved into the Final as a replacement after the official “scratch time” deadline for publication of the program.

Lady Suffolk (Filly Division):

The Filly Division will be raced on the same date as scheduled. In the event it becomes necessary to split the filly division, the track will adopt one of the methods of division racing then current in the Rules and Regulations of the USTA or the New Jersey State Racing Commission.

The Sponsor at its sole discretion reserves the right to conduct one or both of these races in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with “top eight” (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year of the race.

Money Division:

Purses for both the Open and the Filly Divisions will be divided 50-25-12-8-5%. Purses for the eliminations of the Open will be divided 60-25-8-5-2%.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

FR Park Racing, LP, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by FR Park Racing, LP. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. The conditions and rules and regulations shall be those in effect at the time of the race.

- 1.) Conduct one or more physical examinations of the Horse at any time prior to the Race, regardless of where it is stabled;

Racing Conditions For The Hambletonian (Open) & The Hambletonian Oaks:

Both the Open and Oaks will be raced under the following conditions:

- 1.) **Distance.** All races to be contested at one mile.
- 2.) **Draw.** Post positions for all eliminations races will be determined by an open draw. Elimination winners will draw for post positions number one through five in the final. All other finalists will be placed in an open draw for the remaining post positions.
- 3.) **Single Dash.** If 13 or fewer horses are declared to start, the race will be run as a single dash with up to three (3) trailing horse(s) in a second tier and no elimination races are required. If 14 or more horses are declared to start, the race will be run with elimination heats. Post positions for the eliminations will be determined by an open draw.
- 4.) **Elimination Plans -- Heats in the Same Day or in the Previous Week:** Elimination heats for the Open, if necessary, will be raced the same day as the Final, or in the previous week as determined by the Society. That format will be announced by the Society prior to the February 15th 3-year-old payment. The winner of the Final will be the winner of the Race, regardless of where the horse finished in their elimination. Elimination heats for the Oaks, if necessary, may be raced the same day as the Final, or may be scheduled the prior week.

With the intention to make fields of equal caliber, eliminations will be seeded by a predetermined formula based on money earnings, as well as the rules of the New Jersey Racing Commission regarding the separation of common ownership and trainer interests; the precise procedure to be determined and published by the Society.

4a.) If more than 13, but not more than 20 horses are declared to start, two (2) elimination races will be held and the first five (5) horses in the official order of finish from each race will return providing ten (10) horses for the Final. In the event of a dead heat for a last position to qualify or advance to the Final, a fifth place horse that was not in a dead heat, will have preference over any fifth place horse finishing in the dead heat.

4b.) If more than 20, but not more than 30 horses are declared to start, three (3) elimination races will be held and, if there are no dead heats for the last qualifying

positions, the first three (3) horses in the official order of finish from each race will return for the Final, plus the one (1) horse finishing fourth with the highest lifetime earnings, to provide ten (10) horses for the Final. In the event of a dead-heat for third in one or more of these three (3) elimination races, the dead-heat horses with the highest lifetime earnings would advance to the Final. As above, third place horse(s) that were not in the dead heat, will have preference over any of those third place horses in any elimination races having a dead heat(s).

- 4c.) If more than 30, but not more than 40 horses are declared to start, four (4) elimination races will be held and the first two (2) horses in the official order of finish will return for the Final plus the two (2) horses finishing third with the highest lifetime earnings, if necessary, to provide ten (10) horses for the Final in a manner consistent with the above procedures.
- 4d.) If more than 40 horses are declared to start, eliminations will be held and ten (10) horses will return for the Final with dead-heat qualifiers advancing to the Final race based on the horse's lifetime earnings, consistent with the provisions described above.
- 4e.) If any of the designated ten (10) finalists are withdrawn from the Final and scratched by the judges, the next "Also Eligible" will take its place.
- 5.) **Also Eligibles.** In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final; in the event horses are equal in the finish position, final preference will be determined by the highest lifetime earnings. The other horse will be the second "Also Eligible" ("AE2").
- 6.) **Breaking Ties.** If two or more horses tie (including dead-heats) for the last qualifying position or positions in the finish of any elimination race(s), thereby "qualifying" more horses than can be accommodated in a single tier (10 horses), the remaining qualifying horses to advance to the Final shall be selected based on a horse's lifetime earnings, as compiled by the USTA, including any elimination race earnings. Once the single tier has been filled, all other tied horses shall be deemed eliminated.

If there are elimination races, qualifying horses that did not finish in a dead-heat in one elimination race shall receive preference over any horses with the same official order of finish where a dead-heat resulted in another elimination race.

Finally if, and only if, tied horses have equal lifetime money earnings, preference will be determined by lot.

- 7.) **Replacing Scratched Horses.** Scratched horses in the Open and Oaks will be replaced in the following manner:
 - 7a.) If eliminations are required when heats are raced on the same day and post positions for the Final heat have not been drawn, the AE horse(s) will take its place in the normal draw. No scratched horses will be replaced after post positions have been drawn for the Final.
 - 7b.) If eliminations are required the prior week and post positions have already been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the order determined in the above paragraph 4. The AE2 horse, if drawn in by a second

scratched horse, will start outside the AE1 horse. No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.

- 8.) **Front Paddock.** At the discretion of the Society, and except where prohibited by regulatory considerations such as quarantine of foreign horses, all horses in the elimination races and/or the Final of the Open may be required to race from the front paddock of the Track.
- 9.) **Money Distribution:**
 - 9a.) Purses for the Eliminations, if necessary, will be divided 50-25-12-8-5% for the horses finishing first through fifth.
 - 9b.) If conducted in a single dash or as a Final for the Open and/or Oaks, all starters will receive purse money. The winner of the single dash or as a Final will receive 50% of the purse for that race; one percent (1%) of the purse of that race will be paid to the owners of each finalist finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges, or those that don't finish the race. The remainder of the purse will be divided 50-24-16-10% for the horses finishing second through fifth.

- 10.) **Accidents in the Eliminations.** If, because of an accident in an elimination race, an insufficient number of horses finish the elimination and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest earnings in that year as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

Note: The Society, at its sole discretion, reserves the right to conduct either Race (Open or the Oaks) or both Races: at a distance of one mile or greater; in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous to the Final. The Open may be conducted in a different format than the Oaks. The Society, also at its sole discretion as it determines to be in the best interests of the Race, reserves the right to amend the size of the elimination fields (to more than 10, including trailers), and the right to amend the elimination purses of either Race (Open or the Oaks) or both Races. Such a change will be announced prior to the February 15th 3YO payment.

Racing Conditions For The Hambletonian Maturity:

The Maturity will be raced under the following conditions:

- 1.) **Distance.** The race is to be contested at one mile or greater.
- 2.) **Draw.** Post positions will be determined by an open draw.
- 3.) **Single Dash.** If 16 or fewer horses are declared to start, the race will be run as a single dash with up to six (6) trailing horse(s) in a second tier and no elimination races are required. If 17 or more horses are declared to start, the field will be limited to 16 horses based on the highest total money earnings in their three and four-year-old seasons as compiled by the U.S.T.A. The 4-year-old sustaining fee and supplemental fee, if any, will be refunded on all horses which are entered and meet the qualifying standards of the track but do not have sufficient earnings to qualify for the race unless the horse draws in as an "Also Eligible" in the event of a scratch.
- 4.) **Also Eligibles.** In addition, two horses will be selected from those entered that do not qualify for the Race to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse with the highest 3-year-old

and 4-year-old total earnings. The other horse will be the second "Also Eligible" ("AE2").

- 5.) **Breaking Ties.** If two or more horses tie for the last qualifying position or positions in the race, thereby "qualifying" more than 16 horses, the final horse(s) in the field shall be determined by giving preference to the horse(s) with the highest 4-year-old earnings to make up a field of 16 horses maximum. If, and only if, tied horses also have equal 4-year-old money earnings, preference will be determined by lot.

Once the field of 16 has been filled, all other tied horses shall be deemed eliminated and their 4-year-old sustaining and supplemental fee, if any, will be refunded unless as an "Also Eligible" they draw in on a scratch.

- 6.) **Replacing Scratched Horses.** Scratched horses in the Maturity will be replaced in the following manner:

6a.) If post positions have not been drawn, the AE horse(s) will take its place in the normal draw;

6b.) If post positions have been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the tier of the starting gate from where the horse was scratched, in the order determined in the above paragraph 5; The AE2 horse, if drawn in by a second scratched horse in the same tier as the first scratched horse, will start outside the AE1 horse. If the second scratched horse is in the other tier, the AE2 horse will assume the position on the outside of the remaining starters in that tier; No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.

- 7.) **Money Distribution.** All starters in the race will receive money. The winner of the Race will receive 50% of the purse; one percent (1%) of the purse will be paid to the owners of each finalists finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges or that don't finish the Race. The remainder of the purse for the Race will be divided 50-24-16-10% for the horses finishing second through fifth.

Testing Waiver And Consent:

As a further condition of participation in any Race or all Races and which are private events owned by the Hambletonian Society, Inc. ("Society"), the Owner of the nominated Horse which has been paid in to the Race as of February 15 in the year of the Race hereby grants to the Society, its representatives, employees and agents, including a licensed veterinarian designated by the Society, and assigns the absolute right and authority to:

- 1.) Conduct one or more physical examinations of the Horse at any time prior to the Race, regardless of where it is stabled;
- 2.) Draw blood and other specimens one or more times from the Horse for immediate testing;
- 3.) Freeze or otherwise preserve split-samples of the specimens for future testing and send such samples to a laboratory designated by the Society and;
- 4.) Require, at the sole discretion of the Society, the Horse to stable on the grounds of the Track where the Race is being contested or other designated premises for a reasonable period of time prior to the Race which will be specified by the Society.

Note: The Society may interpret "evidence of blood doping agents" to include elevated titers of anti-recombinant antibodies of these agents.

If such evidence is detected after the Eliminations and before the Final of the Race, this shall result in the disqualification of the Horse in the official result of the Elimination, the loss of the purse, if any, and the immediate return of any forfeited purse funds to the Society for redistribution and the Horse will not be allowed to start in the Final. In the event of a post-Race disqualification and redistribution of purse funds paid out, the Owner also agrees to indemnify the Society, the Track, their representatives, officers, directors, employees, and agents from any and all claims, liability, damages, expenses and attorney's fees which any of them may incur in attempting to recover the funds from the Owner, trainer and driver and to redistribute said funds. The owners, trainers and drivers of these horses which are due these funds under the disqualification also agree that the Society, and the Track have no liability for any delay in the recovery or transmission of the funds.

Racing Conditions For The Hambletonian (Open) & The Hambletonian Oaks:

Both the Open and Oaks will be raced under the following conditions:

- 1.) **Distance.** All races to be contested at one mile.
- 2.) **Draw.** Post positions for all eliminations races will be determined by an open draw. Elimination winners will draw for post positions number one through five in the final. All other finalists will be placed in an open draw for the remaining post positions.
- 3.) **Single Dash.** If 13 or fewer horses are declared to start, the race will be run as a single dash with up to three (3) trailing horse(s) in a second tier and no elimination races are required. If 14 or more horses are declared to start, the race will be run with elimination heats. Post positions for the eliminations will be determined by an open draw.
- 4.) **Elimination Plans -- Heats in the Same Day or in the Previous Week:** Elimination heats for the Open, if necessary, will be raced the same day as the Final, or in the previous week as determined by the Society. That format will be announced by the Society prior to the February 15th 3-year-old payment. The winner of the Final will be the winner of the Race, regardless of where the horse finished in their elimination. Elimination heats for the Oaks, if necessary, may be raced the same day as the Final, or may be scheduled the prior week.

With the intention to make fields of equal caliber, eliminations will be seeded by a predetermined formula based on money earnings, as well as the rules of the New Jersey Racing Commission regarding the separation of common ownership and trainer interests; the precise procedure to be determined and published by the Society.

- 4a.) If more than 13, but not more than 20 horses are declared to start, two (2) elimination races will be held and the first five (5) horses in the official order of finish from each race will return providing ten (10)

horses for the Final. In the event of a dead heat for a last position to qualify or advance to the Final, a fifth place horse that was not in a dead heat, will have preference over any fifth place horse finishing in the dead heat.

- 4b.) If more than 20, but not more than 30 horses are declared to start, three (3) elimination races will be held and, if there are no dead heats for the last qualifying positions, the first three (3) horses in the official order of finish from each race will return for the Final, plus the one (1) horse finishing fourth with the highest lifetime earnings, to provide ten (10) horses for the Final. In the event of a dead-heat for third in one or more of these three (3) elimination races, the dead-heat horses with the highest lifetime earnings would advance to the Final. As above, third place horse(s) that were not in the dead heat, will have preference over any of those third place horses in any elimination races having a dead heat(s).
- 4c.) If more than 30, but not more than 40 horses are declared to start, four (4) elimination races will be held and the first two (2) horses in the official order of finish will return for the Final plus the two (2) horses finishing third with the highest lifetime earnings, if necessary, to provide ten (10) horses for the Final in a manner consistent with the above procedures.
- 4d.) If more than 40 horses are declared to start, eliminations will be held and ten (10) horses will return for the Final with dead-heat qualifiers advancing to the Final race based on the horse's lifetime earnings, consistent with the provisions described above.
- 4e.) If any of the designated ten (10) finalists are withdrawn from the Final and scratched by the judges, the next "Also Eligible" will take its place.
- 5.) **Also Eligibles.** In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final; in the event horses are equal in the finish position, final preference will be determined by the highest lifetime earnings. The other horse will be the second "Also Eligible" ("AE2").
- 6.) **Breaking Ties.** If two or more horses tie (including dead-heats) for the last qualifying position or positions in the finish of any elimination race(s), thereby "qualifying" more horses than can be accommodated in a single tier (10 horses), the remaining qualifying horses to advance to the Final shall be selected based on a horse's lifetime earnings, as compiled by the USTA, including any elimination race earnings. Once the single tier has been filled, all other tied horses shall be deemed eliminated.

If there are elimination races, qualifying horses that did not finish in a dead-heat in one elimination race shall receive preference over any horses with the same official order of finish where a dead-heat resulted in another elimination race.

Finally if, and only if, tied horses have equal lifetime money earnings, preference will be determined by lot.
- 7.) **Replacing Scratched Horses.** Scratched horses in the Open and Oaks will be replaced in the following manner:
 - 7a.) If eliminations are required when heats are raced on the same day and post positions for the Final heat have not been drawn, the AE horse(s) will take its

place in the normal draw. No scratched horses will be replaced after post positions have been drawn for the Final.

7b.) If eliminations are required the prior week and post positions have already been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the order determined in the above paragraph 4. The AE2 horse, if drawn in by a second scratched horse, will start outside the AE1 horse. No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.

8.) **Front Paddock.** At the discretion of the Society, and except where prohibited by regulatory considerations such as quarantine of foreign horses, all horses in the elimination races and/or the Final of the Open may be required to race from the front paddock of the Track.

9.) **Money Distribution:**

9a.) Purses for the Eliminations, if necessary, will be divided 50-25-12-8-5% for the horses finishing first through fifth.

9b.) If conducted in a single dash or as a Final for the Open and/or Oaks, all starters will receive purse money. The winner of the single dash or as a Final will receive 50% of the purse for that race; one percent (1%) of the purse of that race will be paid to the owners of each finalist finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges, or those that don't finish the race. The remainder of the purse will be divided 50-24-16-10% for the horses finishing second through fifth.

10.) **Accidents in the Eliminations.** If, because of an accident in an elimination race, an insufficient number of horses finish the elimination and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest earnings in that year as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

Note: The Society, at its sole discretion, reserves the right to conduct either Race (Open or the Oaks) or both Races: at a distance of one mile or greater; in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous to the Final. The Open may be conducted in a different format than the Oaks. The Society, also at its sole discretion as it determines to be in the best interests of the Race, reserves the right to amend the size of the elimination fields (to more than 10, including trailers), and the right to amend the elimination purses of either Race (Open or the Oaks) or both Races. Such a change will be announced prior to the February 15th 3YO payment.

Racing Conditions For The Hambletonian Maturity:

The Maturity will be raced under the following conditions:

- 1.) **Distance.** The race is to be contested at one mile or greater.
- 2.) **Draw.** Post positions will be determined by an open draw.
- 3.) **Single Dash.** If 16 or fewer horses are declared to start, the race will be run as a single dash with up to six (6) trailing horse(s) in a second tier and no elimination races are required. If 17 or more horses are declared to start, the field will be limited to 16 horses based on the highest total money earnings in their three and four-year-old seasons as compiled by the U.S.T.A. The 4-year-old sustaining fee and supplemental fee, if any, will be refunded on all horses which

are entered and meet the qualifying standards of the track but do not have sufficient earnings to qualify for the race unless the horse draws in as an "Also Eligible" in the event of a scratch.

4.) **Also Eligibles.** In addition, two horses will be selected from those entered that do not qualify for the Race to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse with the highest 3-year-old and 4-year-old total earnings. The other horse will be the second "Also Eligible" ("AE2").

5.) **Breaking Ties.** If two or more horses tie for the last qualifying position or positions in the race, thereby "qualifying" more than 16 horses, the final horse(s) in the field shall be determined by giving preference to the horse(s) with the highest 4-year-old earnings to make up a field of 16 horses maximum. If, and only if, tied horses also have equal 4-year-old money earnings, preference will be determined by lot.

Once the field of 16 has been filled, all other tied horses shall be deemed eliminated and their 4-year-old sustaining and supplemental fee, if any, will be refunded unless as an "Also Eligible" they draw in on a scratch.

6.) **Replacing Scratched Horses.** Scratched horses in the Maturity will be replaced in the following manner:

6a.) If post positions have not been drawn, the AE horse(s) will take its place in the normal draw;

6b.) If post positions have been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the tier of the starting gate from where the horse was scratched, in the order determined in the above paragraph 5; The AE2 horse, if drawn in by a second scratched horse in the same tier as the first scratched horse, will start outside the AE1 horse. If the second scratched horse is in the other tier, the AE2 horse will assume the position on the outside of the remaining starters in that tier; No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.

7.) **Money Distribution.** All starters in the race will receive money. The winner of the Race will receive 50% of the purse; one percent (1%) of the purse will be paid to the owners of each finalists finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges or that don't finish the Race. The remainder of the purse for the Race will be divided 50-24-16-10% for the horses finishing second through fifth.

Note: The Society, at its sole discretion, reserves the right to conduct the Maturity: in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous. In addition, the Society at its sole discretion reserves the right to allow Lasix (*furosemide) use in the Hambletonian Maturity. Such a change will be announced prior to the February 15 payment in the year of the race.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the Track at the time of the Race.

Further, the Owner shall hold the Society and the Track, their officers, directors, members, employees and agents harmless from, against and in respect of any and all claims, actions, losses, damages, liabilities, judgment, costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) resulting from any such protest, investigation or dispute.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Executive Committee of The Hambletonian Society, Inc. shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these Races or with respect to any interpretation of any rules or conditions of the Races, or otherwise shall be decided by the Executive Committee of the Hambletonian Society, Inc., which decision shall be final and not subject to appeal. Waiver:

As a condition of participation in the Messenger 2024 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to Yonkers, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and

motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Racing Conditions:

MGM Grand Messenger (Open):

There may be elimination races held at least six (6) days prior to the final, if necessary. The elimination races will race for a minimum purse of \$25,000 each. These races may be contested at a distance of one mile or longer.

If there are nine (9) or less horses entered, there will be no elimination race and all of the entered horses will go straight to the final.

If there are ten (10) horses entered, the racing office reserves the right to choose from the following:

- 1) Race the final as a single dash at 1 mile or longer with a field of 10 horses, or
- 2) Offer byes to the two highest money earners in 2024 who accept the bye and have an elimination race with eight horses to eliminate two to create an eight-horse final, or
- 3) Split the race into two elimination races with the top four horses in the official order of finish advancing to the final.

If there are eleven (11) horses entered, the racing office reserves the right to:

- 1) Offer a bye to the three highest money earners in 2024, who accept the bye and have an eight-horse elimination race to eliminate three horses, creating an eight horse final, or
- 2) Split the horses into two elimination races with the top four horses in the official order of finish of each elimination race advancing to the final.

If there are 12 to 16 horses entered, the race will be split into 2 elimination races with the top 4 in the official order of finish advancing to the final.

If more than seventeen (17) horses are entered, it is at the discretion of the racing office to split the horses into elimination races as necessary.

In addition, at the discretion of the Race Secretary, two horses will be selected from those in the eliminations that do not qualify for the final to be designated "Also Eligible" ("AE") for each final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the final; in the event horses are equal in the finish position, final preference will be determined by lot*. The other horse will be the second "Also Eligible" ("AE2").

*However, whenever there is a draw by lot for the final or "Also Eligible", a non-entry horse will have preference over a horse creating an entry or adding additional horse to an existing entry. If the need occurs to replace a horse or horses qualified for the final, it will be done in a manner consistent with the published conditions and the track policy of Yonkers Raceway concerning the determination of eligibility to the final. All horses making the final will automatically be entered by the Race Secretary.

If because of an accident in the elimination race, an insufficient number of horses finish the race and qualify for the final, the remaining finalist and "also eligibles" will be selected by lot* from the remaining non-offending horses in that elimination where the accident occurred.

Park MGM Pace (Filly Division):

The sponsor reserves the right to race the filly race in divisions and/or eliminations conducted in the same manner as the open race.

In 2024, the Park MGM Pace will race in divisions. The divisions will be split at discretion of the Racing Office.

Each event and all of its races will be at a distance of one mile, and all races will be drawn by lot; all entries will be seeded whenever possible.

If there are eliminations and a final scheduled, the racing conditions above for the Open will apply with the exception that elimination races will race for a minimum purse of \$15,000 each.

All starters in the open and the filly division are subject to the detention policy of the race track.

Waiver:

As a condition of participation in the Progress Pace 2024 (the Open Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Racing Conditions:

All events to be raced as one dash at one mile. There will be Eliminations or, at the discretion of the Sponsor, a Preview race held approximately one week prior to the Final. Declarations for the Final and the Consolation and for the eliminations (or preview events)

will close at the time and date posted on the Condition Sheet. All horses qualifying for the Final or the Consolation must be properly declared with the Race Secretary.

If eight (8) or fewer starters are declared, a Preview race may be held at the discretion of the Sponsor for \$35,000. If a Preview race is held, all declared horses must race in the Preview in order to be eligible to race for the final. The entrance fee for all horses declared at the time of closing shall be payable not later than one hour prior to post time of the Preview.

If nine (9) or more are declared to start, the event will be held with eliminations. Eliminations will race for \$35,000 each. One of the following elimination plans will be used:

If more than eight (8), but less than twelve (12) are declared, one (1) elimination event is required, the first eight (8) finishers will be eligible for the Final.

If twelve (12) or more, but less than twenty three (23) are declared, at least two (2) elimination events are required. If two eliminations are held, the first four (4) finishers from each division will be eligible for the Final.

If three (3) elimination events are required, the first two (2) finishers in each division plus the two (2) fastest third place finishers will be eligible for the Final, making a field of eight (8).

If four (4) or more eliminations are required, eligible horses will be selected for a Final field of eight (8) in a method consistent with the above procedures.

In the event that horses eligible for the Final are not declared for the Final, additional horses from the eliminations will be selected from those properly declared by taking the horse(s) that placed highest in the official order of finish of the eliminations for a Final field of eight (8).

Should two or more horses tie for the final position(s) by virtue of their finish in the elimination race or races, thereby "qualifying" more horses than can be accommodated in a single tier, preference shall be given to the horse(s) with the highest lifetime earnings as compiled by the USTA, until there remains the number of horses permitted in a single tier.

In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for the Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. The other horse shall be "AE2". Should two or more horses tie for the "Also Eligible" ("AE") designation preference shall be given to the horse with the highest lifetime earnings.

The preference to determine the field for the Consolation race shall be determined by taking the eight horses (including the two "Also Eligibles" selected for the Final) that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. A minimum of six (6) separate betting interests are required for the Consolation or the Sponsor, at its discretion, may cancel the Consolation race. Two "Also Eligibles" may also be drawn for the Consolation.

In the event less than eight (8) horses declare for the Consolation, other horses that have been nominated to the Progress Pace, but which did not declare for the eliminations, are eligible to start in the Consolation upon payment of a \$1000 entrance fee. Preference will be given to those horses that started in the eliminations.

The Sponsor at its sole discretion reserves the right to conduct this race in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year prior to the first payment in the year of the race.

The Sponsor reserves the right to reject and return the entry fee. A minimum of five (5) separate betting interests are required in any event or the Sponsor, at its discretion, may cancel the race.

Ownership and stable entries will be seeded by lot in the eliminations when possible. Post positions for all races will be determined by an open draw.

All starters are subject to the detention policy of the race track.

Purses for all races will be divided 50-25-12-8-5% and be paid by the Hambletonian Society.

Drivers and Trainers Fees:

The driver and trainer fees may be disbursed in accordance with the policy of the track at the time of the race and be paid by the Hambletonian Society.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

Dover Downs, Inc, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by Dover Downs, Inc. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. USTA Rule 12.04 provides: "Failure to make any payment required by the conditions constitutes an automatic withdrawal from the event." The Hambletonian Society, Inc. will construe payment to require that cash or check duly honored upon presentation be received at the time specified in USTA Rule 12.02.

Waiver:

As a condition of participation in the Yonkers Trot 2024 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to Yonkers, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to Yonkers herein, to hold Yonkers harmless from any and all liability and damages, and to indemnify Yonkers from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Yonkers' rights herein as set forth above.

Racing Conditions:

MGM Yonkers Trot (Open):

There may be elimination races held at least six (6) days prior to the final, if necessary. The elimination races will race for a minimum purse of \$25,000 each. These races may be contested at a distance of one mile or longer.

If there are nine (9) or less horses entered, there will be no elimination race and all of the entered horses will go straight to the final.

If there are ten (10) horses entered, the racing office reserves the right to choose from the following:

- 1) Race the final as a single dash at 1 mile or longer with a field of 10 horses, or
- 2) Offer byes to the two highest money earners in 2024 who accept the bye and have an elimination race with eight horses to eliminate two to create an eight-horse final, or
- 3) Split the race into two elimination races with the top four horses in the official order of finish advancing to the final.

If there are eleven (11) horses entered, the racing office reserves the right to:

- 1) Offer a bye to the three highest money earners in 2024, who accept the bye and have an eight-horse elimination race to eliminate three horses, creating an eight horse final, or
- 2) Split the horses into two elimination races with the top four horses in the official order of finish of each elimination race advancing to the final.

If there are 12 to 16 horses entered, the race will be split into 2 elimination races with top 4 in the official order of finish advancing to the final.

If more than seventeen (17) horses are entered, it is at the discretion of the racing office to split the horses into elimination races as necessary.

In addition, at the discretion of the Race Secretary, two horses will be selected from those in the eliminations that do not qualify for the final to be designated "Also Eligible" ("AE") for each final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the final; in the event horses are equal in the finish position, final preference will be determined by lot*. The other horse will be the second "Also Eligible" ("AE2").

*However, whenever there is a draw by lot for the final or "Also Eligible", a non-entry horse will have preference over a horse creating an entry or adding additional horse to an existing entry. If the need occurs to replace a horse or horses qualified for the final, it will be

done in a manner consistent with the published conditions and the track policy of Yonkers Raceway concerning the determination of eligibility to the final. All horses making the final will automatically be entered by the Race Secretary.

If because of an accident in the elimination race, an insufficient number of horses finish the race and qualify for the final, the remaining finalist and "also eligibles" will be selected by lot* from the remaining non-offending horses in that elimination where the accident occurred.

New York New York Mile (Filly Division):

The sponsor reserves the right to race the filly race in divisions and/or eliminations conducted in the same manner as the open race. In 2024, the New York New York Mile will race in divisions. The divisions will be split at discretion of the Racing Office.

Each event and all of its races will be at a distance of one mile, and all races will be drawn by lot; all entries will be seeded whenever possible.

If there are eliminations and a final scheduled, the racing conditions above for the Open will apply with the exception that elimination races will race for a minimum purse of \$15,000 each.

All starters in the open and the filly division are subject to the detention policy of the race track.

The Sponsor at its sole discretion reserves the right to conduct one or both of these races in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year of the race.

Money Division:

Purses will be divided 50% 25% 12% 8% 5%.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of Yonkers shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by Yonkers.

MGM Yonkers Inc, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by MGM Yonkers Inc. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. The conditions and rules and regulations shall be those in effect at the time of the race.

Waiver:

As a condition of participation in the Delvin Miller ADIOS STAKE NO. 59 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Sponsor herein, to hold Sponsor harmless from any and all liability and damages, and to indemnify the Sponsor from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Sponsor's rights herein as set forth above.

Racing Conditions:

All events to be raced as one dash at one mile. If 11 or fewer are declared in to start, the Adios or the Adioo Volo will be raced as a single dash at one mile. If 12 or more declare to start, the Adios or the Adioo Volo may be raced in elimination heats or divisions. If elimination heats are raced, in either the Adios or the Adioo Volo, horses in each elimination heat shall qualify for the Final and under the conditions as specified below.

The eliminations, if necessary, will race for no less than \$25,000 each, the amount to be determined by the Sponsor. Elimination heats may be held on the same program as the Final, or scheduled at least five (5) days prior to the Final as determined by the Sponsor.

If there are two (2) elimination races the first four (4) finishers in each elimination will return for the Final plus the horse with the highest lifetime money earnings as determined by the USTA from the two (2) fifth place finishers will be drawn in for a Final field of nine (9).

If there are three (3) or more elimination heats, not more than three (3) horses shall qualify for the Final from each elimination heat.

If four (4) eliminations or more are required, eligible horses will be selected for a Final field of nine (9) in a method consistent with the above procedures.

If the eliminations are necessary, post positions in the Final may be determined by one of the following methods as determined by the Sponsor:

- a.) by an open draw, or
- b.) earned by the official order of finish in the eliminations, or
- c.) the elimination winners, in an order determined by lot, may choose their post position for the Final. The trainer of each winner must select the post position by a time specified by the Racing Secretary, or that elimination winner will placed in the open draw with the rest of the Final field.

In addition, at the discretion of the Race Secretary, two horses may be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final to replace horses excused by the judges by the designated "scratch" time. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. The other horse will be the second "Also Eligible" ("AE2").

In the event horses are tied (i.e. equal in the finish position, including a dead heat) in qualifying for the Final or in determining

the Also Eligibles, preference will be determined by the highest lifetime money earnings; if equal in money earnings, final preference will be determined by lot among such tied horses. If the need occurs to replace a horse or horses qualified for the Final, it will be done in a manner consistent with these conditions regarding the determination of eligibility and preference for the Final.

If, because of an accident in an elimination, an insufficient number of horses finish the elimination race and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest lifetime earnings as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

The Sponsor at its sole discretion reserves the right to conduct this race in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

Waiver:

As a condition of participation in the Dexter Cup 2025 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to the Sponsor herein, to hold Sponsor harmless from any and all liability and damages, and to indemnify the Sponsor from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Sponsor’s rights herein as set forth above.

Racing Conditions:

All races will be at one (1) mile and all races will be drawn by lot, except that entries will be separated whenever possible. Post positions for all races will be determined by an open draw.

All starters in the eliminations and the Final are subject to the detention policy of the race track.

Dexter Cup (Open):

Elimination heats, if necessary, may be held on the same program as the final heat, or in the previous ten days as determined by the Sponsor. The elimination races will race for 25% of the total purse divided equally between the total number of races. The final will be contested for the remaining 75%.

Such elimination races will be held as provided below.

If the number of horses declared into any race requires more than one (1) trailing horse in a second tier, but not enough to split into eliminations of at least six (6) separate pari-mutuel interests in each of two eliminations, that race will be held with a single elimination heat to “qualify” only enough horses that can be accommodated by the number of positions in the front tier of the starting gate as follows:

- a) From the other declared horses, those with the least total lifetime earnings up to time of declaration, will be selected to race in a single elimination field with no more starters than can score in a single tier with no trailers. Money earnings for races outside the U.S. will be calculated at the exchange rate for U.S. dollars as determined by the USTA.
- b) The remaining declared horses, if any (i.e. those with the higher money earnings that cannot be accommodated in the front tier of the elimination field), may elect to automatically advance to the Final. If any of the higher money earners, as determined above, elect instead to race in the elimination, other declared horses, in preference of the greatest earnings, may be selected to automatically advance to the Final. If no horses elect to advance to the final that elimination will be conducted with trailers.
- c) The best finishers in the single elimination plus those that have automatically been advanced to the Final will make up the field for the Final. Except for those automatic finalists, preference to qualify for the Final will be given to the horses in their official order of finish in the eliminations.

If the number of horses declared into any race is such that, if divided at the time of the draw the fields would provide at least six (6) separate pari-mutuel interests in each of the eliminations, then that race will be split into two or more eliminations with no trailers.

If there are two (2) elimination races the first four (4) finishers in each elimination will return for the final; the two (2) fifth place finishers will be drawn by lot for “Also Eligible”.

If there are three (3) elimination races the first two (2) finishers in each elimination will return for the final. The remaining two eligibles will be drawn by lot from the three (3) horses finishing third in the eliminations. The remaining third place finisher will be the first “Also Eligible”. The second “Also Eligible” will be drawn by lot from the three (3) fourth place finishers.

If four (4) eliminations or more are required, eligible horses and two (2) “Also Eligibles” will be selected for a final field of eight (8) in a method consistent with the above procedures.

However, whenever there is a draw by lot for the final or as an “Also Eligible”, a non-entry horse will have preference over a horse creating an entry. If the need occurs to replace a horse or horses qualified for the final, it will be done in a manner consistent with the published conditions concerning the determination of eligibility to the final.

In the event of a dead heat among the horses qualifying for the final or as an “Also Eligible”, preference will be determined by lot among such tied horses. If the need occurs to replace a horse or horses qualified for the final, it will be done in a manner consistent with the published conditions regarding the determination of eligibility to the final.

If, because of an accident in an elimination heat, an insufficient number of horses finish the heat and qualify for the Final, the remaining finalist(s) and “also eligible(s)” will be selected by lot from

the remaining non-offending horses in that elimination where the accident occurred.

All horses making the final will automatically be entered by the Race Secretary.

Scratched horses in the Final will be replaced by the “also eligible” horses in the following manner: a) If post positions have not been drawn the horse will take its place in the normal draw; b) If post positions have already been drawn, the horse will assume the position of the scratched horse in the order the scratches are received by the judges. No horse will be moved into the Final as a replacement after the official “scratch time” deadline for publication of the program.

Lady Suffolk (Filly Division):

The Filly Division will be raced on the same date as scheduled. In the event it becomes necessary to split the filly division, the track will adopt one of the methods of division racing then current in the Rules and Regulations of the USTA or the New Jersey State Racing Commission.

The Sponsor at its sole discretion reserves the right to conduct one or both of these races in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with “top eight” (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year of the race.

Money Division:

Purses for both the Open and the Filly Divisions will be divided 50-25-12-8-5%. Purses for the eliminations of the Open will be divided 60-25-8-5-2%.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of the Sponsor shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by the Sponsor.

FR Park Racing, LP, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by FR Park Racing, LP. ("Society"), the Owner of the nominated Horse which has been paid in to the Race as of February 15 in the year of the Race hereby grants to the Society, its representatives, employees and agents, including a licensed veterinarian designated by the Society, and assigns the absolute right and authority to:

- 1.) Conduct one or more physical examinations of the Horse at any time prior to the Race, regardless of where it is stabled;
- 2.) Draw blood and other specimens one or more times from the Horse for immediate testing;

- 3.) Freeze or otherwise preserve split-samples of the specimens for future testing and send such samples to a laboratory designated by the Society and;
- 4.) Require, at the sole discretion of the Society, the Horse to stable on the grounds of the Track where the Race is being contested or other designated premises for a reasonable period of time prior to the Race which will be specified by the Society.

and agents from any and all claims, liability, damages, expenses and attorney's fees which any of them may incur in attempting to recover the funds from the Owner, trainer and driver and to redistribute said funds. The owners, trainers and drivers of these horses which are due these funds under the disqualification also agree that the Society, and the Track have no liability for any delay in the recovery or transmission of the funds.

All payments may be subject to forfeiture.

Racing Conditions For The Hambletonian (Open) & The Hambletonian Oaks:

Both the Open and Oaks will be raced under the following conditions:

- 1.) **Distance.** All races to be contested at one mile.
- 2.) **Draw.** Post positions for all eliminations races will be determined by an open draw. Elimination winners will draw for post positions number one (1) through six (6) in the final. All other finalists will be placed in an open draw for the remaining post positions.
- 3.) **Single Dash.** If 13 or fewer horses are declared to start, the race will be run as a single dash with up to three (3) trailing horse(s) in a second tier and no elimination races are required. If 14 or more horses are declared to start, the race will be run with elimination heats. Post positions for the eliminations will be determined by an open draw.
- 4.) **Elimination Plans -- Heats in the Same Day or in the Previous Week.** Elimination heats for the Open, if necessary, will be raced the same day as the Final, or in the previous week as determined by the Society. That format will be announced by the Society prior to the February 15th 3-year-old payment. The winner of the Final will be the winner of the Race, regardless of where the horse finished in their elimination. Elimination heats for the Oaks, if necessary, may be raced the same day as the Final, or may be scheduled the prior week.

With the intention to make fields of equal caliber, eliminations will be seeded by a predetermined formula based on money earnings, as well as the rules of the New Jersey Racing Commission regarding the separation of common ownership and trainer interests; the precise procedure to be determined and published by the Society.

- 4a.) If more than 13, but not more than 20 horses are declared to start, two (2) elimination races will be held and the first five (5) horses in the official order of finish from each race will return providing ten (10) horses for the Final. In the event of a dead heat for a last position to qualify or advance to the Final, a fifth-place horse that was not in a dead heat, will have preference over any fifth-place horse finishing in the dead heat.
- 4b.) If more than 20, but not more than 30 horses are declared to start, three (3) elimination races will be held and, if there are no dead heats for the last qualifying

positions, the first three (3) horses in the official order of finish from each race will return for the Final, plus the one (1) horse finishing fourth with the highest lifetime earnings, to provide ten (10) horses for the Final. In the event of a dead-heat for third in one or more of these three (3) elimination races, the dead-heat horses with the highest lifetime earnings would advance to the Final. As above, third place horse(s) that were not in the dead heat, will have preference over any of those third-place horses in any elimination races having a dead heat(s).

- 4c.) If more than 30, but not more than 40 horses are declared to start, four (4) elimination races will be held and the first two (2) horses in the official order of finish will return for the Final plus the two (2) horses finishing third with the highest lifetime earnings, if necessary, to provide ten (10) horses for the Final in a manner consistent with the above procedures.
 - 4d.) If more than 40 horses are declared to start, eliminations will be held and ten (10) horses will return for the Final with dead-heat qualifiers advancing to the Final race based on the horse's lifetime earnings, consistent with the provisions described above.
 - 4e.) If any of the designated ten (10) finalists are withdrawn from the Final and scratched by the judges, the next "Also Eligible" will take its place.
- 5.) **Seeding.** In accordance with the conditions and with the intention of making fields of equal caliber, the eliminations, if necessary, of the HAMBLETONIAN® OPEN and the OAKS will be seeded by the following procedure:
- 5a.) Horses will be sorted in the order of total money earnings based on the following formula: Total career money earnings will be considered -- but monies accumulated through the date of declaration during their three-year-old year and in their last five starts would be weighted twice as much as the monies earned during the two-year-old season. For example, if a horse earned \$100,000 as a two-year-old and \$200,000 as a three-year-old and \$150,000 in his last five starts, his assigned value would be \$800,000 ($\$100,000 + (2 \times \$200,000) + (2 \times \$150,000) = \$800,000$). These earnings would be based on USTA official money earnings at the time of declaration.
 - 5b.) Horses will be assigned a rank (group) based on the above formula and the number of elimination heats. For example: If there are eighteen horses, there will be two elimination divisions. The horses with the highest and the second highest money earnings as calculated above will be assigned rank #1; horses three and four would be assigned rank #2; horses five and six would be assigned rank #3; down to horses seventeen and eighteen who would be assigned rank #9. Beginning with the 1st rank, at least half the field of each elimination division (five of nine horses in this example) will be determined by randomly sorting the horses of each group into a separate division. The remainder of the divisions will be determined by lot.
 - 5c.) Horses either owned by common interests or trained from the same stable will be separated as much as possible.
- The Hambletonian Society reserves the right to change or amend the seeding formula above at any time
- 6.) **Also Eligibles.** In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final. The pref-

erence to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final; in the event horses are equal in the finish position, final preference will be determined by the highest lifetime earnings. The other horse will be the second "Also Eligible" ("AE2").

- 7.) **Breaking Ties.** If two or more horses tie (including dead-heats) for the last qualifying position or positions in the finish of any elimination race(s), thereby "qualifying" more horses than can be accommodated in a single tier (10 horses), the remaining qualifying horses to advance to the Final shall be selected based on a horse's lifetime earnings, as compiled by the USTA, including any elimination race earnings. Once the single tier has been filled, all other tied horses shall be deemed eliminated.
If there are elimination races, qualifying horses that did not finish in a dead-heat in one elimination race shall receive preference over any horses with the same official order of finish where a dead-heat resulted in another elimination race.
Finally, if, and only if, tied horses have equal lifetime money earnings, preference will be determined by lot.
- 8.) **Replacing Scratched Horses.** Scratched horses in the Open and Oaks will be replaced in the following manner:
 - 8a.) If eliminations are required when heats are raced on the same day and post positions for the Final heat have not been drawn, the AE horse(s) will take its place in the normal draw. No scratched horses will be replaced after post positions have been drawn for the Final.
 - 8b.) If eliminations are required the prior week and post positions have already been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the order determined in the above paragraph 4. The AE2 horse, if drawn in by a second scratched horse, will start outside the AE1 horse. No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.
- 9.) **Front Paddock.** At the discretion of the Society, and except where prohibited by regulatory considerations such as quarantine of foreign horses, all horses in the elimination races and/or the Final of the Open may be required to race from the front paddock of the Track.
- 10.) **Money Distribution:**
 - 10a.) Purses for the Eliminations, if necessary, will be divided 50-25-12-8-5% for the horses finishing first through fifth.
 - 10b.) If conducted in a single dash or as a Final for the Open and/or Oaks, all starters will receive purse money. The winner of the single dash or as a Final will receive 50% of the purse for that race; one percent (1%) of the purse of that race will be paid to the owners of each finalist finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges, or those that don't finish the race. The remainder of the purse will be divided 50-24-16-10% for the horses finishing second through fifth.
- 11.) **Accidents in the Eliminations.** If, because of an accident in an elimination race, an insufficient number of horses finish the elimination and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest earnings in that year as determined above)

from the remaining non-offending horses in that elimination where the accident occurred.

Note: *The Society, at its sole discretion, reserves the right to conduct either Race (Open or the Oaks) or both Races: at a distance of one mile or greater; in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous to the Final. The Open may be conducted in a different format than the Oaks. The Society, also at its sole discretion as it determines to be in the best interests of the Race, reserves the right to amend the size of the elimination fields (to more than 10, including trailers), and the right to amend the elimination purses of either Race (Open or the Oaks) or both Races. Such a change will be announced prior to the February 15th 3YO payment.*

Racing Conditions For The E.T. Gerry, Jr. Hambletonian Maturity:

The Maturity will be raced under the following conditions:

- 1.) **Distance.** The race is to be contested at one mile or greater.
- 2.) **Draw.** Post positions will be determined by an open draw.
- 3.) **Single Dash.** If 16 or fewer horses are declared to start, the race will be run as a single dash with up to six (6) trailing horse(s) in a second tier and no elimination races are required. If 17 or more horses are declared to start, the field will be limited to 16 horses based on the highest total money earnings in their three and four-year-old seasons as compiled by the USTA The 4-year-old sustaining fee and supplemental fee, if any, will be refunded on all horses which are entered and meet the qualifying standards of the track but do not have sufficient earnings to qualify for the race unless the horse draws in as an "Also Eligible" in the event of a scratch.
- 4.) **Also Eligibles.** In addition, two horses will be selected from those entered that do not qualify for the Race to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse with the highest 3-year-old and 4-year-old total earnings. The other horse will be the second "Also Eligible" ("AE2").
- 5.) **Breaking Ties.** If two or more horses tie for the last qualifying position or positions in the race, thereby "qualifying" more than 16 horses, the final horse(s) in the field shall be determined by giving preference to the horse(s) with the highest 4-year-old earnings to make up a field of 16 horses maximum. If, and only if, tied horses also have equal 4-year-old money earnings, preference will be determined by lot.

Once the field of 16 has been filled, all other tied horses shall be deemed eliminated and their 4-year-old sustaining and supplemental fee, if any, will be refunded unless as an Also Eligible they draw in on a scratch.

- 6.) **Replacing Scratched Horses.** Scratched horses in the Maturity will be replaced in the following manner:
 - 6a.) If post positions have not been drawn, the AE horse(s) will take its place in the normal draw;
 - 6b.) If post positions have been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the tier of the starting gate from where the horse was scratched, in the order determined in the above paragraph 5; The AE2 horse, if drawn in by a second scratched horse in the same tier as the first scratched horse, will start outside the AE1 horse. If the second scratched horse is in the other tier, the AE2 horse will assume the position on the outside of the remaining starters in that tier; No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.

- 7.) **Money Distribution.** All starters in the race will receive money. The winner of the Race will receive 50% of the purse; one percent (1%) of the purse will be paid to the owners of each finalists finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges or that don't finish the Race. The remainder of the purse for the Race will be divided 50-24-16-10% for the horses finishing second through fifth.

Note: *The Society, at its sole discretion, reserves the right to conduct the Maturity: at a distance of one mile or greater; in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous. In addition, the Society at its sole discretion reserves the right to allow Lasix (*furosemide) use in the E.T. Gerry, Jr. Hambletonian Maturity. Waiver:

As a condition of participation in the Messenger 2025 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to Yonkers, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and

motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Racing Conditions:

MGM Grand Messenger (Open):

There may be elimination races held at least six (6) days prior to the final, if necessary. The elimination races will race for a minimum purse of \$25,000 each. These races may be contested at a distance of one mile or longer.

If there are nine (9) or less horses entered, there will be no elimination race and all of the entered horses will go straight to the final.

If there are ten (10) horses entered, the racing office reserves the right to choose from the following:

- 1) Race the final as a single dash at 1 mile or longer with a field of 10 horses, or
- 2) Offer byes to the two highest money earners in 2025 who accept the bye and have an elimination race with eight horses to eliminate two to create an eight-horse final, or
- 3) Split the race into two elimination races with the top four horses in the official order of finish advancing to the final.

If there are eleven (11) horses entered, the racing office reserves the right to:

- 1) Offer a bye to the three highest money earners in 2025, who accept the bye and have an eight-horse elimination race to eliminate three horses, creating an eight horse final, or
- 2) Split the horses into two elimination races with the top four horses in the official order of finish of each elimination race advancing to the final.

If there are 12 to 16 horses entered, the race will be split into 2 elimination races with the top 4 in the official order of finish advancing to the final.

If more than seventeen (17) horses are entered, it is at the discretion of the racing office to split the horses into elimination races as necessary.

In addition, at the discretion of the Race Secretary, two horses will be selected from those in the eliminations that do not qualify for the final to be designated "Also Eligible" ("AE") for each final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the final; in the event horses are equal in the finish position, final preference will be determined by lot*. The other horse will be the second "Also Eligible" ("AE2").

*However, whenever there is a draw by lot for the final or "Also Eligible", a non-entry horse will have preference over a horse creating an entry or adding additional horse to an existing entry. If the need occurs to replace a horse or horses qualified for the final, it will be done in a manner consistent with the published conditions and the track policy of Yonkers Raceway concerning the determination of eligibility to the final. All horses making the final will automatically be entered by the Race Secretary.

If because of an accident in the elimination race, an insufficient number of horses finish the race and qualify for the final, the remaining finalist and "also eligibles" will be selected by lot* from the remaining non-offending horses in that elimination where the accident occurred.

Park MGM Pace (Filly Division):

The sponsor reserves the right to race the filly race in divisions and/or eliminations conducted in the same manner as the open race.

Each event and all of its races will be at a distance of one mile, and all races will be drawn by lot; all entries will be seeded whenever possible.

If there are eliminations and a final scheduled, the racing conditions above for the Open will apply with the exception that elimination races will race for a minimum purse of \$15,000 each.

All starters in the open and the filly division are subject to the detention policy of the race track.

The Sponsor at its sole discretion reserves the right to conduct one or both of these races in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year of the race.

Money Division:

Purses will be divided 50-25-12-8-5%.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of Yonkers shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by Yonkers.

MGM Yonkers Inc, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by MGM Yonkers Inc. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. The conditions and rules and regulations shall be those in effect at the time of the race.

Waiver:

As a condition of participation in the Progress Pace 2025 (the Open Division), the Owner(s) of the nominated horse(s) hereby grants to the Sponsor, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Racing Conditions:

All events to be raced as one dash at one mile. There will be Eliminations or, at the discretion of the Sponsor, a Preview race held approximately one week prior to the Final. Declarations for the Final and the Consolation and for the eliminations (or preview events)

will close at the time and date posted on the Condition Sheet. All horses qualifying for the Final or the Consolation must be properly declared with the Race Secretary.

If eight (8) or fewer starters are declared, a Preview race may be held at the discretion of the Sponsor for \$35,000. If a Preview race is held, all declared horses must race in the Preview in order to be eligible to race for the final. The entrance fee for all horses declared at the time of closing shall be payable not later than one hour prior to post time of the Preview.

If nine (9) or more are declared to start, the event will be held with eliminations. Eliminations will race for \$35,000 each. One of the following elimination plans will be used:

If more than eight (8), but less than twelve (12) are declared, one (1) elimination event is required, the first eight (8) finishers will be eligible for the Final.

If twelve (12) or more, but less than twenty three (23) are declared, at least two (2) elimination events are required. If two eliminations are held, the first four (4) finishers from each division will be eligible for the Final.

If three (3) elimination events are required, the first two (2) finishers in each division plus the two (2) fastest third place finishers will be eligible for the Final, making a field of eight (8).

If four (4) or more eliminations are required, eligible horses will be selected for a Final field of eight (8) in a method consistent with the above procedures.

In the event that horses eligible for the Final are not declared for the Final, additional horses from the eliminations will be selected from those properly declared by taking the horse(s) that placed highest in the official order of finish of the eliminations for a Final field of eight (8).

Should two or more horses tie for the final position(s) by virtue of their finish in the elimination race or races, thereby "qualifying" more horses than can be accommodated in a single tier, preference shall be given to the horse(s) with the highest lifetime earnings as compiled by the USTA, until there remains the number of horses permitted in a single tier.

In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for the Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. The other horse shall be "AE2". Should two or more horses tie for the "Also Eligible" ("AE") designation preference shall be given to the horse with the highest lifetime earnings.

The preference to determine the field for the Consolation race shall be determined by taking the eight horses (including the two "Also Eligibles" selected for the Final) that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final. A minimum of six (6) separate betting interests are required for the Consolation or the Sponsor, at its discretion, may cancel the Consolation race. Two "Also Eligibles" may also be drawn for the Consolation.

In the event less than eight (8) horses declare for the Consolation, other horses that have been nominated to the Progress Pace, but which did not declare for the eliminations, are eligible to start in the Consolation upon payment of a \$1000 entrance fee. Preference will be given to those horses that started in the eliminations.

The Sponsor at its sole discretion reserves the right to conduct this race in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year prior to the first payment in the year of the race.

The Sponsor reserves the right to reject and return the entry fee. A minimum of five (5) separate betting interests are required in any event or the Sponsor, at its discretion, may cancel the race.

Ownership and stable entries will be seeded by lot in the eliminations when possible. Post positions for all races will be determined by an open draw.

All starters are subject to the detention policy of the race track.

Money Division:

Purses for all races will be divided 50-25-12-8-5% and be paid by the Hambletonian Society.

Drivers and Trainers Fees:

The driver and trainer fees may be disbursed in accordance with the policy of the track at the time of the race and be paid by the Hambletonian Society.

Waiver:

As a condition of participation in the Yonkers Trot 2025 (the Open and/or Filly Division), the Owner(s) of the nominated horse(s) hereby grants to Yonkers, its representatives, successors, and assigns the absolute right to copyright and publish, use or reuse still and motion photographic images of its horses, drivers, trainers, employees, officers and agents, in whole or in part, in composite or in distorted character, with or without use of names, in color or otherwise, for the purpose of promotion, advertising, trade or other lawful purpose in any and all media. Owner(s) waives any right to inspect and/or approve the finished product or the copy that may be used in connection therewith or the use to which it might be applied. Owner(s) further agrees to inform his drivers, trainers, employees, officers and agents of the authority granted to Yonkers herein, to hold Yonkers harmless from any and all liability and damages, and to indemnify Yonkers from same should any such owner(s), driver(s), trainer(s), employee(s), officer(s) and agent(s) challenge Yonkers' rights herein as set forth above.

Racing Conditions:**MGM Yonkers Trot (Open):**

There may be elimination races held at least six (6) days prior to the final, if necessary. The elimination races will race for a minimum purse of \$25,000 each. These races may be contested at a distance of one mile or longer.

If there are nine (9) or less horses entered, there will be no elimination race and all of the entered horses will go straight to the final.

If there are ten (10) horses entered, the racing office reserves the right to choose from the following:

- 1) Race the final as a single dash at 1 mile or longer with a field of 10 horses, or
- 2) Offer byes to the two highest money earners in 2025 who accept the bye and have an elimination race with eight horses to eliminate two to create an eight-horse final, or
- 3) Split the race into two elimination races with the top four horses in the official order of finish advancing to the final.

If there are eleven (11) horses entered, the racing office reserves the right to:

- 1) Offer a bye to the three highest money earners in 2025, who accept the bye and have an eight-horse elimination race to eliminate three horses, creating an eight horse final, or
- 2) Split the horses into two elimination races with the top four horses in the official order of finish of each elimination race advancing to the final.

If there are 12 to 16 horses entered, the race will be split into 2 elimination races with top 4 in the official order of finish advancing to the final.

If more than seventeen (17) horses are entered, it is at the discretion of the racing office to split the horses into elimination races as necessary.

In addition, at the discretion of the Race Secretary, two horses will be selected from those in the eliminations that do not qualify for the final to be designated "Also Eligible" ("AE") for each final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the final; in the event horses are equal in the finish position, final preference will be determined by lot*. The other horse will be the second "Also Eligible" ("AE2").

*However, whenever there is a draw by lot for the final or "Also Eligible", a non-entry horse will have preference over a horse creating an entry or adding additional horse to an existing entry. If the need occurs to replace a horse or horses qualified for the final, it

will be done in a manner consistent with the published conditions and the track policy of Yonkers Raceway concerning the determination of eligibility to the final. All horses making the final will automatically be entered by the Race Secretary.

If because of an accident in the elimination race, an insufficient number of horses finish the race and qualify for the final, the remaining finalist and "also eligibles" will be selected by lot* from the remaining non-offending horses in that elimination where the accident occurred.

New York New York Mile (Filly Division):

The sponsor reserves the right to race the filly race in divisions and/or eliminations conducted in the same manner as the open race.

Each event and all of its races will be at a distance of one mile, and all races will be drawn by lot; all entries will be seeded whenever possible.

If there are eliminations and a final scheduled, the racing conditions above for the Open will apply with the exception that elimination races will race for a minimum purse of \$15,000 each.

All starters in the open and the filly division are subject to the detention policy of the race track.

The Sponsor at its sole discretion reserves the right to conduct one or both of these races in a format either with eliminations in the previous week to the final as published above, in divisions, or on a single date with "top eight" (8) format and possibly, at the discretion of the sponsor, a consolation race or races as determined by the number of entries. The format will be published the year of the race.

Money Division:

Purses will be divided 50% 25% 12% 8% 5%.

Drivers and Trainers Fees:

The drivers and trainers fees may be disbursed in accordance with the policy of the track at the time of the race.

Disputes:

In the case of any dispute as to the interpretation of these conditions, the decision of Yonkers shall be final. All fees and payments in any race are accepted on the condition that all claims, objections and appeals arising out of these races or with respect to any interpretation of any rules or conditions of the races, or otherwise shall be decided by Yonkers.

MGM Yonkers Inc, at its sole discretion as to what it determines to be in the best interest of the Races, reserves the right to refuse the participation of any entry or proposed entry. Any horse owned or trained by an owner or trainer who is arrested, indicted or is the subject of a filed governmental criminal information charging such person with administering, selling, sponsoring or encouraging the sale or use of illegal medications or the illegal or unethical treatment of animals will be ineligible to race in any of the races owned by MGM Yonkers Inc. Such ineligibility shall commence on the date of such arrest, indictment or information and continue for a minimum of 60 days from the time of the transfer of ownership of the horse and/or the change of trainers to a bona fide separate and unrelated licensed owner or trainer, as the case may be. All payments may be subject to forfeiture.

Rules:

Unless otherwise specified and except as may be affected by a state or provincial racing Commission or Board, USTA rules not in conflict with these conditions or the future amended conditions in the year of the race to govern, as well as the Track rules and regulations. The conditions and rules and regulations shall be those in effect at the time of the race.
